Upon the Eclipſe of the Moon.

THe Queen of Night growes Sad, whilſt Titans Fires,
In a Croſſe mood oppoſe her full deſires;
And now becauſe her Huſband ſeems to frown,
Puts on a Mourning Veile and Sable Gown
To paint her Sorrow, Whilſt her floating eyes
Rouſe the ſpring Tides and make an Ocean riſe.
Now in a Melancholy fit ſhe throwes,
And brooks no Conſort of her darkſome woes,
But one poor Veſſell, Almoſt Dround in Tears;
Which Tells us Women Leak when ſhott with feares:
Heaven now Conſpire to wreak ſome female Greiſe
Which [illegible] ſome Males return findes no Releiſe.
